Cheyenne Frontier Days™ (CFD) is commonly referred to as the “Daddy of ‘em All”®—the world’s largest outdoor rodeo. The phrase was coined in 1919 when Cheyenne had gained worldwide recognition for having the biggest and best rodeo. Some folks credit T. Joe Cahill, who served as a committeeman that year, for the nickname. But, no matter who christened Cheyenne’s rodeo with the name, one thing is certain; each year since, CFD has lived up to its reputation.

The “Daddy of ‘em All”® continues as a leader in rodeo action. It remains the favorite rodeo for most PRCA contestants and rodeo fans alike. Rodeo cowboys are known to proudly display their winning belt buckles as status symbols. A recent study of rodeo points out that contestants who have competed at Cheyenne prefer to sport their CFD championship buckles even more so than a world champion buckle.

IMPORTANCE OF VOLUNTEERS
For more than 100 years the citizens of Cheyenne have banded together in this annual community project. CFD has a minimal staff with the rest of the work being done by over 2,500 volunteers. Because of this effort, and numerous other community-oriented volunteer projects, Cheyenne has been dubbed “the volunteer capital of the world.”

LARGE OUTDOOR RODEO COMMITTEE OF THE YEAR

ECONOMIC IMPACT
CFD was organized over 122 years ago to economically benefit the City of Cheyenne, and we continue to stay focused on delivering our mission to be a positive economic resource in our community. CFD draws cowboys and rodeo and music fans from throughout the country for a spirited, ten-day celebration of Western heritage. CFD serves as an important boost to Cheyenne’s economy, bringing hundreds of thousands of visitors who pump a significant amount of money into the local community.

- In 2017, total ticketed attendance for rodeos, concerts and other Frontier Park events was over 241,000. Over 2,754 people attended the free pancake breakfasts, 9,181 visited the Indian Village, and 3,725 went on the behind-the-scenes chute tour.
- As it did last year, CFD expects to serve about 100,000 flapjacks to nearly 25,000 during its free pancake breakfasts served downtown.
- Visitors spent nearly $28 million in Laramie County during CFD, including $5.3 million at restaurants and bars, $3.7 million on accommodations, $7.6 million on entertainment and recreation, and $10.8 million on shopping, gas and other retail purchases. CFD also creates over 300 full and part-time jobs.

Cheyenne was founded on the banks of Crow Creek in July 1867. The town, named by Army General Grenville Dodge after the Indians who inhabited the area, took on many nicknames over the years. Cheyenne originally was referred to as “Hell on Wheels” because the first businesses to arrive at the new railhead were ones that traveled along with the Union Pacific as it broke ground westward across the Great Plains. These businesses were set up in tents with false storefronts. Most were drinking and gambling establishments catering to the rough and tumble life of transient cowboys, local ranch hands and soldiers at nearby Fort D.A. Russell.

Within 15 years Cheyenne became known as the “Magic City of the Plains” and gained status as the “richest city of its size in the world.” Wealthy cattle barons from the East and abroad invested in the booming cattle industry and built huge, elaborate mansions in Cheyenne. Many of these historic landmarks are still standing today, including the historic Governor’s Mansion which is open to the public year-round.

Today, Cheyenne’s economic base is supported mostly by government, wholesale and retail trade, and tourism. Cheyenne still serves as a major crossroad in the West for the Union Pacific and the Burlington Northern Railroads, as well as Interstates 80 and 25. Most recently, Cheyenne has gained international and national recognition with the location of the NCAR-Wyoming Supercomputing Center and the Microsoft data center.

MEDIA INFORMATION

CREDENTIALS
Credential requests should be submitted as early as possible. Priority is given to professionals working on assignment for specific media outlets approved by the Cheyenne Frontier Days™ (CFD) PR Committee prior to the celebration. Media credentials for free-lancers not on assignment will be considered after submitting samples of published work.

FULL CREDENTIALS
Full credentials are valid for all ten days of CFD, and will be issued only to the following:

- Paid employees of media outlets or CFD
- Writers or photographers with a valid letter of assignment from a media outlet. We do request that all individuals in this category provide us with a copy of their work when it is published.
- PRCA photographers with a valid 2017 membership card.

LIMITED CREDENTIALS
Limited Credentials valid only for Monday through Thursday are issued on a case-by-case basis to free-lance writers and photographers without a valid letter of assignment.

PHOTOGRAPHER PIT PASS
These passes are issued daily on a first-come, first-served basis to photographers. The photo pit is an excellent vantage point to capture action shots of arena events. Photographers requesting a pit pass should contact the PR Media Office prior to 10 a.m. Movement to and from the pit is prohibited during the rodeo with the exception of a short intermission period halfway through the show. During this time, photographers wishing to stay for only of half the events may leave, and others may take their place. This allows a greater number of photographers the opportunity to take photographs. Please note that bottled drinking water is available in the photo pit, however, there are no rest rooms.

Space in the pit is very limited and access will be prioritized as follows:

- Paid employees of media outlets (working press)
- Writers or photographers with a valid letter of assignment from a media outlet
- PRCA photographers with a valid 2017 membership card
- Freelance photographers

PHOTOGRAPHER CHUTE PASS
Photographers requesting a chute pass should contact the PR Media Office prior to 10 a.m. There are a limited number of chute passes available to general media. If you have a specific need that cannot be met with the photo pit’s accommodations, contact the Media Office at the PR facility.

Chute passes allow the holder to photograph rodeo events from a restricted area alongside the roping and bucking chutes. For safety reasons, the chute area and arena are the most restricted areas and PRCA regulations apply.

PLEASE NOTE: The PRCA retains media rights to all sanctioned rodeos. These rights are specific to rodeo action and competitors. Complete rules governing broadcast and print are available at the PR Media Office or by contacting the PRCA directly.

MEDIA INFORMATION

NIGHT SHOW POLICY
All night show/concert press passes must be approved in advance. If you wish to cover a nightshow, please submit a request in writing to the Cheyenne Frontier Days™ Public Relations Committee by Friday, June 30. Any media who does not request a night show/concert media pass in advance will not be able to take photos, video or review the show. When the request is submitted please include information on what you intend to do (e.g. photography, video, or review of the show). The Public Relations (PR) Committee will have a listing for who is approved, the artists’ restrictions and any added requirements (often only the first 2-3 songs) one or two days prior to the show. If you wish to conduct an interview with an artist, we can provide contact information for the artist’s management and you can contact them directly. The PR Committee will not set up interviews for you.

DRESS REQUIREMENTS
PRCA clothing regulations state all media personnel and photographers must wear a long-sleeve western style shirt, long pants, boots and western hat while present in the photo pit, arena, chute area and in the cowboy ready area. The rodeo is highly photographed for both television and print media; the clothing requirement ensures the western flavor of the event and the safety of working media in and around the arena. If the requirement presents a problem, please contact the PR Media Office. We have extra hats and western shirts available to borrow.

FUN FACTS
• Approximately 1,800 contestants will compete for a total purse of cash and prizes expected to reach $1 million, the largest purse award in regular season pro rodeo.
• The Rookie Saddle Bronc event was originally called the “Amateur Bucking Contest.” The name was changed for the 1974 performance.
• Cheyenne Frontier Days™ (CFD) continued the tradition of signaling “8 seconds” with a gunshot until the 1994 rodeo performance, when it was replaced by a buzzer.
• Frontier Park became the home of CFD in time for the 1908 celebration. The cost for the structures totaled $20,000, and the total seating capacity for the rodeo was 7,700.
• This is the world’s largest outdoor rodeo arena. The arena is over 700 feet long and 200 feet wide! The seating capacity for the rodeos is 15,000 and over 20,000 for the night shows.
• In 2013, a new all-time attendance record for CFD was achieved when 25,000 enjoyed Jason Aldean (2013 Academy of Country Music Male Vocalist of the Year) on a wet Friday night making Frontier Park the fifth-largest city in Wyoming.
• During a pancake breakfast, Cheyenne Kiwanis Club volunteers feed nearly 40,000 folks in six hours. The record day was Wednesday, July 24, 1996—16,897 guests served in two hours. The Record Year: 1996—39,112 guests served in six hours total.
MEDIA PLACES

MEDIA CENTER
Cheyenne Frontier Days™ (CFD) has a dedicated trailer for media, located behind the Public Relations Building. PR Volunteers are available to help you obtain pit and chute passes, as well as helping you with story ideas and interviews. The trailer has wireless internet and work areas for media.

MEDIA BOX
During the rodeo, media can watch from a shaded box located in the east stand. PR volunteers are available to answer questions and help obtain interviews with contestants. Be sure to secure your seat early as this area fills up quickly.

PHOTO PIT
The photo pit is an excellent vantage point to capture action shots of arena events. It is in the middle of the arena and allows photographers to capture contestants launching out of the chutes. It is also the best place to get photos of steer wrestling. You need a pass to get in this area.

CHUTES
The chutes are restricted areas that require a pass. The chutes on the north end of the arena tend to be less crowded than the southern chutes, which include sponsors. Photographers must first check with a CFD PR volunteer before going on the chute platform. You are only allowed to stay on the chute platform for a few rides.

COWBOY READY AREA
Underneath the east stand near the north chute, rodeo contestants are getting ready for their rides. PR volunteers are available to help you find an interview and escort you into the area for photos/b-roll.

Cheyenne Frontier Days™ (CFD) has over 1,800 cowboys/cowgirls and over 2,000 animal athletes. More cowboys/cowgirls and animal athletes compete in Cheyenne than at any other rodeo. In fact, you will see more contestants at CFD than many other rodeos have in an entire weekend. Our prize money again this year exceeds $1 million, making it one of the largest purses in professional rodeo.

**TIMED EVENTS SLACK**
For all these events – Fastest time wins!
Check schedule, in the mornings.
Cost is free.

Chute 9 is where “slack” is held in the mornings. This is for cowboys who are unable to be scheduled for the main rodeo performances because of the sheer number of contestants at CFD. These times are equally as important as those during the main rodeo performances. Be sure to check your “Schedule of Events” to see when slack will occur.

At CFD, these timed event cattle are quite unique. First, prior to CFD, these animals have never been in a rodeo and are considered “fresh.” Second, these animals are much larger than considered typical at other rodeos. At CFD the calves will be in excess of 300 pounds, and the steers over 600 pounds. Third, these cattle are given a 30 foot head start in the competition. This “score” is three to four times longer than most other rodeos and leads to the uniqueness of competition at the Daddy of ’em All®.

**WOMEN’S BARREL RACING**
Monday, July 16, 2018, 11 a.m.

Barrel racers enter from the north end of the arena and complete a cloverleaf pattern of 3 barrels. Fastest time wins.

**TIE DOWN ROPING**
Wednesday, July 18, 2018, not before 8 a.m.
Thursday, July 19, 2018, 7 a.m.

Two go rounds; back to back, slack to slack, performance to performance. Forty contestants in performance. Contestants not up in performances will compete first and second go rounds in slack on July 19-20, 2017.

A cowboy backs his horse into the box, nods his head and gives chase to a steer with a 30 foot head start. The cowboy has to rope the steer around the horns (only legal head catch in this event), and lay the steer down so he can dismount, run to the steer and tie three legs with his piggin’ string.

**STEER WRESTLING**
Tuesday, July 17, 2018, 7 a.m.
Wednesday, July 18, 2018, 7 a.m.

Two go rounds; back to back, slack to slack, performance to performance. Contestants up in first go slack Tuesday, will run second go in slack Wednesday.

**STEER ROPING**
Tuesday, July 17, 2018, not before 8 a.m.
followed by second go

Two go rounds; back to back, slack to slack, performance to performance. Twenty-four contestants in performance. Contestants not up in performances will compete first and second go rounds in slack on July 18, 2017.

A cowboy backs his horse into the box, nods his head and gives chase to a steer with a 30 foot head start. The cowboy has to rope the steer around the horns (only legal head catch in this event), and lay the steer down so he can dismount, run to the steer and tie three legs with his piggin’ string.
After backing his horse into the box, nodding his head and giving chase to a steer at speeds of over 30 miles per hour, the cowboy slides off of his saddle down on the running steer with arms around the horns of the steers. Using his feet, the cowboy slows the steer, changes direction of the steer and then laying the steer to the ground. In this event, the cowboy has a helper, called a hazer, who assists in keeping the steer running straight.

TEAM ROPING
Thursday, July 19, 2018, 7 a.m. (Immediately following Tie-Down Roping Slack)
Two go rounds; back to back, slack to slack, performance to performance. Forty teams in performance. Teams not up in performances will compete first and second go rounds in slack on July 19, 2018. The only event with two contestants competing at the same time. One is the header – his job is to rope a steer around the horns after the 30 foot head start, and turn the steer so his partner, called the heeler can rope the two hind feet. If he only gets one foot, a 5 second penalty is assessed.

PRCA RODEO
July 21-29
All rodeos begin at 12:45 p.m.
Cost $20 — $35

Cheyenne’s world-class rodeo is truly the Daddy of ‘em All®. Known for its fast pace and large number of contestants, the CFD rodeo ensures visitors see more rodeo action – two sections of bulls, and two sections of saddle and bareback broncs daily – than they can see at any other rodeo. Every rodeo event is performed in each of the nine daily performances, so any day at Cheyenne Frontier Days is a good day to see an exciting, action-packed rodeo.

The rodeo consists of track acts in a fast-paced display of athletics, heroics and good-natured fun. Ultimately, the rodeo is about the people who make it great: the contestants, the announcers, the barrelman, and last but not least, the bullfighters.

TIMED EVENTS
The PRCA rodeo also spotlights barrel racing, tie-down roping, steer roping, steer wrestling and team roping.

BULL RIDING
Perhaps the most dangerous event in rodeo, bull riders place their hand in a bull rope around the bull and attempt to ride for 8 seconds. These bulls are mostly a cross of Brahma (for speed, agility and quickness) and a beef breed such as Angus for size, power and muscle. Top notch breeding programs are in place with sire registries and artificial insemination being used by stock contractors. The horns on bulls (if not polled) are tipped for safety of the bulls while in the pens and during transport on the road, as well as for the cowboys.

How is the ride scored if the cowboy makes the 8 second whistle? Two Professional Rodeo Cowboys Association judges each score the bull on a scale of 1 to 25 and the cowboy on the same scale. Then the two judges’ scores are tallied for the final score with a maximum of 100 points. (NOTE: Only 1 recorded 100 point ride in PRCA history: Wade Leslie, a bullrider who rode Wolfman Skoal in 1991). NOTE: only 2 sections of bull riding at each rodeo this year – start and end only.

BAREBACK RIDING
In this event, the cowboy uses a “riggin” that is essentially a leather strap with a hand hold on it around the belly of the horse. The cowboy wedges his hand in this hand hold. When the cowboy is ready, he nods his head and the chute gate opens. The horse exits with a quarter turn. The cowboy’s feet have to be above the points of the horses shoulders on the first jump out of the chute or the cowboy “missed him out.” The cowboy moves his feet in rhythm with the horse as his feet will be forward on the neck of the horse when the front feet hit the ground and then back at the withers when the back feet hit the ground. The judges look for this rhythm from the cowboy and the bucking ability of the horse for high scores.

SADDLE BRONC RIDING
For rodeo’s classic event, the cowboy uses a modified saddle (does not have saddle horn) cinched around the horse. The cowboy hangs on to a hack rein (like a halter rope). Just like bareback riding, the cowboy nods his head when ready, the chute gate opens, and the cowboy’s feet have to be above the points of the horse’s shoulders on the first jump out of the chute. The cowboy moves his feet in rhythm with the horse as his feet will be forward on the shoulders of the horse when
the front feet hit the ground and then back at the back of the saddle when the back feet hit the ground. The judges look for this rhythm from the cowboy and the bucking ability of the horse for high scores.

Professional Bull Riding
PBR Cheyenne
Monday, July 23 8 p.m.
Cost $29 OR $39

Thirty of the top PBR riders will compete in the July 23 long round and 15 in the championship round for PBR world points. Thirty of the top CBR riders will also compete on July 24, in the same long round/short round format as Monday night. The event aggregate will be paid based on the final scores among all 60 riders over both days of competition.

The world’s premier bull riding organization began as a dream of 20 bull riders 25 years ago and now operates in five countries. On its elite tour, the organization features the top 35 bull riders in the world and the top bulls in the business. The televised 25th PBR: Unleash The Beast, along with the PBR Real Time Pain Relief Velocity Tour (RVT), the PBR Touring Pro Division (TPD) and the PBR’s international circuits in Australia, Brazil, Canada and Mexico have paid nearly $184 million in earnings to its athletes. Thirty bull riders have earned more than $1 million, including two-time PBR World Champion J.B. Mauney who is the top-earning athlete in Western sports history with more than $7.2 million in career earnings.

Championship Bull Riding
(CBR)
Tuesday, July 24 8 p.m.
Cost $29 OR $39

Championship Bull Riding (CBR) will be returning to Cheyenne Frontier Days™ to crown the 2017 World Champion. This is the culmination of the year-long 2017 Road to Cheyenne Tour where bull riders have accumulated points towards the world title. Up for grabs is one of the most prestigious titles in bull riding and a $100,000 bonus won in 2016 by Sage Kimzey.

The 2017 CBR World Finals is also the final event for the Million Dollar Bull Team Challenge where bulls are competing for prize money. Competing on a team consisting of three bulls per team, last year’s bull team winner, Rawson/Probst owned by Mike Rawson, two-time CBR Stock Contractor of the Year, of Martinsville, Texas, took home a check for over $100,000.

At the end of Tuesday night’s competition nearly half million dollars will be paid to bull riders and bull team owners making it one of the richest competitions in bull riding. The 2017 Road to Cheyenne Tour is televised in prime time for 30 weeks on FOX Sports Networks, with the 2017 CBR World Finals featured as the final two telecasts in the popular series.
CFD EVENTS

CFD offers many events beyond the rodeo including a world famous night show lineup, free pancakes, a carnival and parade.

FRONTIER NIGHTS®

Night time entertainment naturally followed the rodeo performances in Cheyenne, but it became an official part of Cheyenne Frontier Days™ (CFD) on the eve of the Great Depression. In 1929, the committee built a small version of old-time Cheyenne on the grounds at Frontier Park complete with false-front saloons and theaters to depict the rowdy days of yesteryear. Soon, a carnival was added to the park’s attractions. Downtown, square dancing on a designated street intersection along with dance performances by the Sioux Indians lured people out for the July evenings.

During the big band era of the 1940s and 50s, top-name bands provided music and dancing at Frontier Park. In the late 50s, a 10-cent fee was charged for each dance. The “dime-a-dance” feature was a Frontier Days favorite of Cheyennites who danced at the Pavilion, which now houses the CFD Headquarters and CFD Old West Museum. The first night arena show was staged in front of the grandstands in 1951. Television’s Fred McMurray held the audience spellbound that first year along with Lawrence Welk and his orchestra just prior to landing their famous television show. The early night arena entertainment ranged from clown and dog acts to chariot races, fancy and trick riding, and drum and bugle corps performances. Other Hollywood stars that followed in the 1960s included Michael Landon as “Little Joe” of TV’s Bonanza and Robert Conrad of The Wild Wild West. In the early ’70s, the current “B” stands replaced the old stands, and in 1977 Frontier Days was extended to 10 days. Now, Cheyenne is equipped to book top country and western entertainment as well as rock acts. The night arena shows that year featured Johnny Cash, Mel Tillis, Barbara Mandrell, Jimmy Dean, and Jerry Jeff Walker.

Cheyenne Frontier Days’ history comes alive at the CFD Old West Museum! Inside the Museum, you will experience the stories of the individuals, livestock, and organizations whose distinctive contributions to CFD have helped grow a dream into “The Daddy of ‘em All.” For an hour or two, this Museum helps you travel back in time through the rich history of Cheyenne Frontier Days and relive the Western legend.

In 1978, a group of volunteers established the CFD Old West Museum with the goal of preserving the historic carriage collection used in the annual Frontier Day Parades. Today, with a collection of over 160 carriages, the Museum boasts one of the largest carriage collections in the United States. Guided by a mission to cultivate and preserve the Western legacy of Cheyenne Frontier Days, the Museum now houses a collection of over 149,000 artifacts relating to Cheyenne and Cheyenne Frontier Days. A truly volunteer-oriented organization, the Museum recognizes that Cheyenne Frontier Days volunteers make the history the Museum preserves.

This family-friendly institution has interactive elements in the galleries so everyone can explore this history of Cheyenne Frontier Days and the stories of those who helped make it happen. CFD WESTERN ART SHOW & SALE

Art Sale & Reception: July 9
Show: July 20–August 19, 2018
Location: CFD Old West Museum

Converging on the CFD Old West Museum like cowboys to the rodeo arena, the artists featured in the Cheyenne Frontier Days Western Art Show celebrate the American West’s heritage, scenery and the Western way of life. This year the popular event will feature the works of the country’s top western and wildlife artists in paintings, sculptures, wood and alabaster carvings and Navajo weavings.

Every year, the Cheyenne Frontier Days Western Art Show and Sale attracts artists from Nebraska to California and Montana to Arizona who all share the same passion—a love for the great American West and its traditions.

In addition to the sale, the CFD Western Art Show and Sale Committee produce a commemorative CFD poster and a limited edition print each year. Prairie Fire by Bruce Graham is this year’s print. Rough Stock Rhythm by Lindsey Bittner Graham is the featured artwork on this year’s Cheyenne Frontier Days Western Art show poster.

For more than a century, Cheyenne Frontier Days has preserved the western way of life, the rich traditions of the sport of rodeo, and the spirit of community involvement. Through the arts, the Western Art Show proudly takes its place among the traditions of Cheyenne Frontier Days.

CHALLENGE RODEO

11:30 a.m., Location: CFD Rodeo Arena
Wednesday, July 25 and Thursday, July 26

This special children’s rodeo is patterned after the PRCA’s Exceptional Rodeo©, which was featured at CFD from 1992–1994.

In 1995, the CFD Committee and other volunteers and sponsors of the special rodeo decided they wanted to make it a permanent feature of CFD. And so, the CFD Challenge Rodeo became a reality for the 100th annual “Daddy of ’em All®”.

Each of the 60 Challenge Rodeo children are paired up with a specially selected volunteer “buddy.” These all-day volunteer chaperones are chosen according to their knowledge, medical training, and expertise in working with children who face mental and physical challenges. The children share one-on-one attention with their buddy and a rodeo V.I.P. while participating in modified rodeo events. V.I.P.s such as PRCA cowboys, clowns, barrel racers, Dandies, committee chairmen, and others, assist the buddies and children in the events which include 8-second bull rides, barrel racing, steer roping and more. Each Challenge Rodeo child receives a t-shirt, cowboy hat, trophy and a canvas bag to tote the goodies in. The kids are recognized individually with

of western history. In 1898, just after the second annual Frontier Days rodeo, the CFD committee invited American Indian performers to participate in the CFD celebration. American Indian performers have returned to CFD each year since, entertaining and educating visitors about American Indian heritage and culture. Historically, the visiting performers camped on a corner of Frontier Park, and that became a tourist mecca. Over the years, the site of the campground shifted from place to place. In the 1960s, the CFD committee established a permanent campground, dubbed the “Indian Village,” on the southeast corner of the park, where it remains to this day. In addition to hosting authentic American Indian dancing, music playing and storytelling, the Indian Village also includes a number of Native American exhibit booths and food vendors.

PANCAKE BREAKFASTS
Cost: FREE
Monday, July 23; Wednesday, July 25; and Friday, July 27 Time: 7 – 9 a.m.
The Cheyenne Kiwanis Club is the organization that puts on the pancake breakfast with the help from the CFD Indian Committee.

The all-time Cheyenne Frontier Days™ (CFD) free breakfast single-day record was registered during the Wednesday 1996 feeding frenzy where 16,897 people were served. The weekly record was broken that same year when 39,111 people enjoyed a free breakfast and Cheyenne western hospitality. Just for the record, the almost 40,000 were fed in a combined serving time of eight hours, ten minutes.

This year, the volunteers will serve up more than 100,000 flapjacks made from 5,000 pounds of pancake mix, cook-up 3,000 pounds of ham, serve 9,200 cartons of milk and 520 gallons of coffee, along with 630 pounds of butter and 475 gallons of syrup!

Started by the Cheyenne Frontier Committee in 1952, the traditional free breakfast (originally served twice a week) has since been a favorite of locals and visitors alike. The Cheyenne Kiwanis Club, with the help of the Cheyenne Boys and Girl Scouts, cook up the grub on military ranges. For the Kiwanis, the CFD breakfast is not only a great time, but a chance to practice as well. The ranges have proved to be useful in past years in feeding victims of natural disasters, and Frontier Days is the perfect opportunity to show Civil Defense just how many people they can feed in a short period of time.

PARADES
Cost: FREE
Saturday, July 21; Tuesday, July 24; Thursday, July 26; Saturday, July 28 Time: 9 a.m.

Until 1925 (with the exception of the spectacular parade staged in 1898 for Buffalo Bill and one in 1910 for President Theodore Roosevelt) the Frontier Days parades were nothing more than wild gallops through the streets of Cheyenne by a bunch of unruly cowboys on wild broncos. Pistols were aimed at upper story windows, pretty girls were lassoed, and pandemonium reigned. That year, the Frontier Committee enlisted Fred and Margaret Boice to stage a pageant using the theme of “The Evolution of Transportation.” In 1926, Dazee Bristol was asked to create some floats for the parade that would last. The ones she created are still highlights of current parades. They include Dazee’s Dance Hall, Harry P. Hynds Blacksmith Shop, the Placer Mine (depicting South Pass City, Wyoming) and the Silver Crown Mine (which pokes fun at some early residents who invested in a mining scam). In the 1930s and 40s, Dazee added the Vigilante Float, the Hells Half Acre Saloon Float and the One-Room School House. Join us in Cheyenne as people from all over the world take in the sights and sounds of some of the top marching bands and horse-drawn vehicles in the country! The parade starts in front of the Wyoming Capitol.

In the 1960s, a few downtown businessmen were known to assume the status of a vigilante committee aimed at men in golf shorts and boat shoes. The makeshift lawmakers took matters into their own hands by tossing the nonconformists in the lake at Holliday Park—only to give themselves an excuse to donate articles of western attire to poor wet souls who dared not to dress accordingly during Cheyenne Frontier Days (CFD).

CHEYENNE GUNSLINGERS

During Cheyenne Frontier Days, performances are: Monday - Saturday at high noon and 6 p.m. and Sundays at high noon

In 1983 a local downtown art gallery owner, Ron Levene, sat drinking coffee with a few other 16th Street business owners discussing the western-ness of Cheyenne. It seems they all shared the same blank expressions when summer visitors and tourists came into their shops and asked, “So, where’s all the cowboys and Indians?” Cheyenne Frontier Days™ (CFD) certainly provided the old western frontier atmosphere, but only for 10 days in July. These fellas decided to give ‘em what they asked for. Armed with a sizeable donation from the head office of the LaQuinta Inn hotel chain in San Antonio, Texas, these businessmen started the Cheyenne Gunslingers.

They got off to a slow start that first season. The volunteers didn’t anticipate the costs involved with staging the gunfights. But, within a few years the association had grown into a first-rate tourist attraction not only during CFD, but for the whole summer. The men furnish their own guns and costumes, and together, they write the scripts that are staged twice daily at Gunslinger Square, 16th Street and Carey Avenue. In addition to the fun-filled skits, the Cheyenne Gunslingers also have a more serious side. They show the audience the importance of gun safety, and much of the information is aimed effectively at the youth in the crowd. The “shoot ‘em up” show is free to the public.
OLD FASHIONED MELODRAMA  
Atlas Theatre, 211 West 16th Street  
July 13- August 6:  
Monday-Saturday performances are at 7 and 9 p.m.; Sunday performance is 7 p.m. Tickets are $10–16

The Cheyenne Little Theatre Players added to the night time entertainment of Cheyenne Frontier Days™ (CFD) in 1958 by staging an Old Fashioned Melodrama performance at the Frontier Park Pavilion. The show was a hit, and the performers have carried on their volunteer tradition ever since.

In 1966, they were moved to the abandoned and dilapidated Atlas Theatre downtown. The Atlas Theatre building was erected in 1887. Originally, it housed a confectionery shop on the main level with office spaces on the upper floors. The building was remodeled in 1907 with the assistance of local architect William Dubois. The upper floors were converted into rooms for rent with the main level reserved for the elegant Atlas Theatre, a soda fountain, and a large penny arcade—Wyoming’s first. Today, the Atlas Theatre seats 260 guests per performance. Much of the interior has been restored to its original state. The original fire curtain installed in 1908 still hangs from the ceiling above the stage.

The Cheyenne Little Theatre Players have entertained thousands of visitors during CFD with sellout shows that bring about rounds of “boos” and “hisses” for the villain, “cheers” for the hero, and “ah-h’s” for the heroine. The melodrama is a three-act play that focuses on some part of Wyoming’s western heritage. It is often written by local talent and includes a variety of crowd-pleasing olio acts, can-can dances, and fun for the whole family.

FORT D.A. RUSSELL DAYS - MUSKETS TO MISSILES  
Fort D.A. Russell Days is a celebration of the U.S. military throughout the history of what is now, Francis E. Warren AFB. The base is the oldest active Air Force base and has been an active duty military installation since its inception in 1867. The installation’s ties to CFD dates back to the very first installment of the famous rodeo in 1897, when soldiers from the post fired a canon signifying the start of the event and staged a mock battle in the arena. Today, the base holds its annual open house during the rodeo so that the public can learn about its current and past missions. Visitors to Ft. D.A. Russell Days will be able to tour the historic brick homes, several dating back to the 19th century, tour the base museum and watch historic military reenactments. The base also demonstrates modern technology associated with its current intercontinental ballistic missile mission. Visitors can observe military working dogs in action, tour a real-life training launch facility, and marvel at the wide variety of missile support vehicles, such as the gigantic missile transporter erector. F.E. Warren Air Force Base is located at exit 11 on I-25 in Cheyenne.

2018 SCHEDULE FT. D.A. RUSSELL DAYS MUSKETS TO MISSILES 25TH ANNUAL AND OTHER MILITARY EVENTS

VOLUNTEERS & STRUCTURE

For more than a century, chief executive officers of large companies, bank presidents, school teachers, realtors, homemakers, state and federal employees-literally folks from every walk of life-have devoted millions of volunteer hours to plan, organize and execute all the events associated with Cheyenne Frontier Days™.

VOLUNTEERS

“It’S THE CHEYENNE THING TO DO…” That’s how Bill Dubois, a 2004 inductee in the Cheyenne Frontier Days™ (CFD) Hall of Fame, replied when asked why he had been volunteering for more than four decades in a variety of capacities at the “Daddy of 'em All.” “It’s the Cheyenne thing to do” for tens of hundreds of volunteers who provide the people power to produce what arguably is the largest outdoor western celebration in the world.

It began as a simple one-day celebration in September of 1897 when a group of volunteers from the Cheyenne business community thought it would be fun and profitable to stage a western celebration. Today, more than 3,000 volunteers work around the calendar to produce an event that borders on two weeks long and includes parades, pancake breakfasts, world-class concerts, chili and chuckwagon cookoffs, carnival, exhibits, Indian Village, military open houses and performances by the U.S. Air Force Thunderbirds and, of course the event that started it all-nine Professional Rodeo Cowboys Association (PRCA) rodeos.

Volunteers are the fuel that drives the CFD engine. Tasks range from sorting stock for the nine rodeos plus the slack performances; caring for the world's largest horse-drawn carriage collection and a remarkable period clothing collection; mucking horse stalls; directing traffic in all types of weather; manning gates; the care and feeding of a large media contingent; serving as hosts to the tens of thousands of spectators who enjoy the variety of events; the care and maintenance of a 100-acre park with barns, grandstands, exhibit halls, food facilities and arenas and thousands of other grizzly little details that must be accomplished for the event to succeed.

STRUCTURE

Only a handful of the estimated 3,000 workers who make Cheyenne Frontier Days™ (CFD) come to life each July are paid for their services. The Committee employs 17 full-time people to manage the year-round production of the show, and a Board of Directors serves as an advisory council to the General Committee.

MISS FRONTIER
Emily Breeden
Emily Breeden is the daughter of Kyle and Tip Breeden. She is a proud sixth generation rancher in Laramie County with her younger brother, Royce.

“Growing up on my family’s ranch, quickly instilled a love for the Western way of life and the sport of rodeo, and I can’t imagine my brother and I growing up anywhere else. Wyoming truly has the blue jean hospitality and that becomes very apparent once you cross the state line.”

Emily has been involved with Cheyenne Frontier Days™ (CFD) since she was 7 years old; competing in the junior barrels and has been hooked ever since. She served the Dandies team throughout high school and served as the assistant director in 2015 and 2016.

“Serving as a goodwill ambassador in Dandies for the World’s Largest Outdoor Rodeo was so amazing because you share a common love for the sport of rodeo with everyone you meet and that love has only grown. Being a part of the CFD family is something I will forever cherish and serving as the 2017 Lady In Waiting was an absolute honor and I can’t wait to serve as the 2018 Miss Frontier!”

Emily is a 2014 graduate of Cheyenne East High School where she was involved in Future Farmers of America (FFA) and soccer. During soccer, she was a two-time state champion, and she received All State defender her junior and senior year. She was also an active member of 4-H.
and competed in the County and State fair. She has also competed in many rodeos throughout the cowboy state in the barrels, goat tying, breakaway, and team roping events.

She currently is attending Laramie County Community College (LCCC) and plans to graduate in December of 2017 with her associate’s degree in Education. She then plans to further her education at the University of Wyoming (UW) and receive her master’s degree in Special Education.

“I love being an advocate for others, and I feel absolutely blessed to serve as Miss Frontier for the 122nd Daddy of ‘em All®, and to be able to promote Cheyenne Frontier Days™ and the Western way of life. I take a great amount of pride in not only representing CFD with our 2,500+ volunteers but also in representing Laramie County and our great state of Wyoming and look forward to the future of the sport of rodeo and especially Cheyenne Frontier Days!”.

LADY-IN-WAITING
Halley Jankovsky

Halley Zoe Jankovsky is the daughter of Matt and Cat Jankovsky and Mike and Kelley Martin. She is a Cheyenne, Wyo., native and a 2015 graduate of East High School where she was involved in orchestra, FFA, and swim team. Through her swimming career Halley was a two-year team captain, member of the 2012 state champion team, and a state champion/all-state team selection in both individual and relay events in 2013.

Halley graduated from Laramie County Community College (LCCC) with an associate of arts degree in 2017 and was a member of Phi Theta Kappa national honor society. She currently attends the University of Wyoming (UW) where she studies Agricultural Education.

Halley participated for many years in the Laramie County Fair where she received the Richard Ingersoll award for citizenship in 2012, was the Senior Timed Event Champion in 2013, and named Top Hand and Top Horse in 2015. She also participated in the Wyoming State Fair several times and was the reserve champion in English Hunt Seat Equitation in 2016.

“My love for Cheyenne Frontier Days™ (CFD) began at an early age when I would go out to the park and help feed the bucking stock with my dad.” When she was old enough, Halley became a Toe on the Rodeo Committee; spending her Frontier Days behind Chute 9 loading livestock. She had the privilege of representing CFD as a Dandy for four years and was a lead Dandy in her final year. Halley returned to the Rodeo Committee, and in 2017 she was once again a Toe, this time serving as a coordinator for the group that includes some of the youngest volunteers on the Rodeo Committee. “It is such fun to work with the Toes, you can just feel their excitement and know that their experience with rodeo is helping build our future.”

THE DANDIES

The Dandies of the “Daddy of ‘em All®” serve as good will ambassadors for the world’s largest outdoor rodeo celebration. They represent Cheyenne Frontier Days™ (CFD) at rodeos, fairs and celebrations throughout the Rocky Mountain Region. During CFD they attend the Coronation Ball, the Western Art Show and Sale, pancake breakfasts, and the USAF Thunderbird Aerial Demonstration. BUCKLE CLUB
The Buckle Club is comprised of past and present committee chairpersons and their spouses. This group was organized in 1979 and utilizes the talent and experience of seasoned volunteers to assist with various functions of Cheyenne Frontier Days™ (CFD). Members have been instrumental in producing the Exceptional Rodeo in past years and continue with the Challenge Rodeo, which is Cheyenne’s independent version of the special children’s rodeo.

HEELS
The idea of the “HEELS” emerged in 1934 as a result of financial difficulties brought on by the Great Depression. Because the pocket linings of Cheyenne Frontier Days™ (CFD) were pulled inside out and drooping, a group of volunteers put their heads together and brainstormed over how to remedy the show’s tough financial situation. They tossed around the idea of replacing paid arena help with volunteers of the committee, and the HEELS organization was born. It is said that volunteer Ed Storey commented during that casual meeting that they’d be a bunch of heels if they didn’t help out, and the name stuck.

Today, the HEELS are comprised of 430 volunteers who have been recognized for their exceptional service to CFD. Each year new members are nominated and voted into the select group based on their contribution of volunteerism to the show. Each HEEL is entitled to wear a specially designed badge and belt buckle to distinguish the honor.

W-HEELS
The W-Heels is a group of volunteer women who work with the Parades Committee in producing the horse-drawn vehicle section of the four Cheyenne Frontier Days™ (CFD) parades each year. These gals provide the carriage riders with over 600 authentic costumes that reflect the styles worn between 1897 and 1914. The group supports the CFD Old West Museum and is active in carriage preservation and restoration.

Born in the Wild West over one hundred years ago, Union Wireless continues a legacy of putting the customer first. Founded in Mountain View Wyoming in 1914, and built on the belief of serving its rural ranching community when no one even knew where Mountain View was; John Woody laid the ground work for what the company is today. Union Wireless provides every service that the “big providers” do, with a notable exception—we offer outstanding customer service in every aspect. We pride ourselves on a highly trained care staff that can make product and plan recommendations that meet your needs; answer tech questions, and
provide hands-on device and accessory training to ensure the best experience.

This same commitment to customer satisfaction is embodied in every department; our tower team that climbs towers in 40 M.P.H. wind to reconnect a microwave dish so that calls can go through; to network engineers that answer the call to work at 3 a.m., when suppliers notify us of a customer impacting concern. This same commitment is also clear in the continued investment in infrastructure development to meet the ever evolving needs of our customers.

Beyond customer service, Union Wireless is committed to making a difference. We actively contribute, sponsor and participate in events and causes that make a positive impact in the communities we serve. To name but a few, “Hear in the Dark”–providing support to those with auditory challenges; Cheyenne Regional Medical Foundation assisting in the renovation of the mother/baby unit; University of Wyoming’s STEM program; the Hungry Back Pack Program to feed children in need.

Proud sponsors of Cheyenne Frontier Days™, we invite you to share in our enthusiasm of experiencing the world’s largest outdoor rodeo and the heritage that helped shape the West.

We Inspire Great Health

Healthcare is ever-changing. To stay the course, a hospital must rely on its leadership, physicians and employees to focus, unwaveringly, on the mission at hand. At Cheyenne Regional Medical Center and Cheyenne Regional Medical Group, that mission is to “inspire great health!”

Our full mission statement—which was revised and adopted earlier this year—says: “We inspire great health! Putting service before self, our family cares for your family with compassion, experience and innovation. We inspire great health!”

As a health system, we have made a promise to our community and one another that we will do everything in our power to serve and care for each person we encounter with dignity and compassion and will provide the highest level of experience and innovation possible to ensure great outcomes for our patients. We are also committed to working alongside others in our region to offer services, technology and care that will improve the overall well-being of our community.

Entering into a management services agreement with UCHealth earlier this year is one important step we’ve taken toward fulfilling our mission. This agreement will allow us to work side by side with a world-class healthcare system, while also keeping vital services and care close to home.

In addition, we continue our commitment to providing innovative, state-of-the art technology and treatments. In 2018 Cheyenne Regional Medical Center was the first hospital in Wyoming to implant a minuscule pulmonary artery pressure sensor that will improve the quality of life for heart failure patients. We also continue to offer major technological advancements, including use of the da Vinci Xi® and MAKO® robotic surgical systems.

Another key part of our mission is to ensure great patient outcomes. Our health system is routinely recognized by health ratings firms for providing best-in-practice, award-winning care.

Equally important is our focus on providing a vital safety net to vulnerable individuals and families. In 2016 CRMC’s overall contributions to our community totaled more than $42 million. Over $17 million of that was used to support and subsidize local health improvement services, support health professions education and provide community partner grants/in-kind services and community-building activities.

We have been part of this community for more than 150 years. During this time, our health system has grown in size and expertise as we’ve strived to meet the diverse health needs of our community. Today, we continue to move forward with a renewed sense of focus and purpose: to inspire great health.

Hospitality by definition is the friendly and generous reception and entertainment of guests, visitors, or strangers. At Red Lion Hotel & Conference Center you will find just that. Built in 1982 we have filled our halls over the years with caring staff, trending food and beverage concepts, friendly smiles, satisfied guests and the comfort of home. The property was purchased in December of 2015 by Inner Circle Management who converted the hotel from a Holiday Inn to a Radisson in February of 2016 and then took on the Red Lion flag in February of 2018. Why the flag changes? The Red Lion flag and what it represents fit the needs of our community, offering a great room and great events at a great rate. The Red Lion flag has the benefit of being a well-known western based brand that is constantly growing with technology and the younger generations yet still possesses the friendly hometown values of hospitality that are the cornerstone of a hotel’s success. These values allow our flag to proudly be a part of the history and heritage of Cheyenne Frontier Days™.

As a part of the Cheyenne community our flag is actively involved with multiple community organizations as both sponsors and volunteers. Year-round Red Lion supports non-profits such as Black Dog Animal Rescue, Grace for 2 Brothers, Kiwanis, United Way, Cheyenne Frontier Days™ Old West Museum, Boys and Girls Club of America, Cheyenne Little Theater, Meals on Wheels, the COMEA Shelter, Safehouse, Wyoming Equality and the Armed Forces Association, to name a few.

This will be the first year of flying the Red Lion flag into the arena in the arms of a Cheyenne Dandy; but, this ain’t our first rodeo! As our property grows into this new flag you will still see the same faces, have that at-home feeling, enjoy great meals, cozy rooms with comfortable beds, full service amenities and the third largest event space in the state of Wyoming. We are proud of the tradition of partnership we have held with Cheyenne Frontier Days™.
Days and the volunteers that make this great event happen since 2011. We look forward to sharing with you all the hospitality Cheyenne has to offer!

BARRELMAN & BULLFIGHTERS

Bullfighters may appear to do a lot of “clowning around,” but their role is of utmost importance to the contestants. Their job is to help prevent the contestants from sustaining injuries by the bulls. In many cases, these bullfighters have been responsible for saving a contestant’s life. For this reason, they must be in peak physical condition and mentally alert for their “dances with bulls.” Most bullfighters and clowns wear good athletic shoes or cleats as part of their costume. The costumes are generally quite colorful and loose fitting to divert the bull’s attention from the contestant after the ride. Occasionally, a contestant’s hand may become “hung up” in the rope when he is bucked off. When this happens, the bullfighters are right there risking their own safety to free the cowboy’s hand from atop the bucking bull’s back. One bullfighter distracts the bull while another tries to free the cowboy’s hand. At Cheyenne, two bullfighters work together in the arena to assist the contestants during the bull riding events.

It was everything I thought it would feel like, but walking down that alley … you’ve got to times it by 100 to get close to what it really feels like. It’s very heart-touching.” Webster, at age 21, was the youngest bullfighter ever to work the Wrangler NFR. “With 18,000 people watching you, you don’t want to mess up.”

RIDER KIESNER
Returning to CFD is Rider Kiesner. Rider is a 4 time world champion trick roper and two time world champion gun spinner. Given a Will Rogers trick roping kit for
Christmas when he was nine, Rider found his passion for trick roping and performing. Rider has performed at many of pro rodeos feature events including the Wrangler National Finals Rodeo, performing at rodeos and Wild West shows he has performed all across the United States as well as Canada, Mexico, Japan, China, Oman, Lebanon and France. Rider is a 5th generation horsemen and 2nd generation to be professionally involved in the rodeo industry. Rider’s younger brother Roper is also a rodeo performer and contestant. Roper will be making his debut at Cheyenne this year in the rookie saddle bronc riding.

ARENA DIRECTOR
FRANK THOMPSON
Frank Thompson is a former World Champion PRCA Steer Wrestler and CFD Volunteer. The arena director is responsible for the activities in the arena. He ensures that PRCA rules are followed and provides the safest environment possible for anyone who enters the arena. During the rodeo he coordinates the roping events that take place at Chute 9 on the south end of the arena with the rough stock events that come out of the bucking chutes. Frank acts as a troubleshooter and takes action to solve problems that arise in the arena. He also starts the wild horse race and decides which direction around the track the horses will travel.

CHUTE 9 BOSS
PAUL CLEVELAND
Paul is the “chute boss” for the timed events at Cheyenne. He is responsible for facilitating the correct order of the stock and the contestants. Paul physically inspects the equipment used and by the contestants to make sure it complies with PRCA regulations. He is in charge of the Chute 9 setup and makes certain the equipment is functioning properly. Paul also supervises the grading of the tie-down cattle and steers to meet the weight requirements.

JUSTIN SPORTS MEDICINE
Justin Sports Medicine maintains a comprehensively equipped mobile medical unit directly behind the “E” Stands during the CFD rodeo. Cheyenne physicians volunteer their time and services by working with the Justin team to patch up the contestants should they require medical attention. The unit and its staff focus on prevention as the first line of defense against injury, but provide emergency medical attention including cardiac life support if it is needed.

The first Miss Frontier was selected in 1931 when the Cheyenne Frontier Days committee sponsored a contest. All six of the girls who entered were sponsored by a civic organization. Each girl was judged based on the number of tickets sold by her sponsoring organization. Miss Jean Nimmo Dubois had the honor of becoming the first Miss Frontier when the Cheyenne Post of the American Legion sold the most tickets to the show. Edith Gogerty Stevens won the honor in 1932 by a popularity vote determined by the number of tickets sold at the Frontier Pavilion. In 1933, another contest sponsored by the Tribune-Eagle selected Maysie McKay Christensen as the third Miss Frontier. The year 1934 saw the CFD committee selected Lois Crain Moor as Miss Frontier and Leona Burner Gillen as her Lady-in-Waiting, starting a tradition that follows to this day. During the reign of Mary Helen Warren Welborn in 1936, Miss Frontier acquired her traditional garb of the “White Bucks.” Mary Helen had seen Sally Rand, the fan dancer who appeared at CFD wearing an outfit of leather, consisting of a divided skirt and vest trimmed in fringe and silver conches. Mary Helen thought the outfit was most appealing and so the familiar official clothing of Miss Frontier came into being work with a satin blouse. The role of Miss Frontier has evolved through the years. Today, as well as appearing at all of the events of the show, she is a visible representative of CFD appearing at other rodeos, press conferences and special events to promote and annual event born of an idea to create a celebration for Cheyenne.
