ABOUT **CHEYENNE FRONTIER DAYS™**

Since 1897, the "Daddy of 'em All®" has been kicking up dust with the World's Largest Outdoor Rodeo & Western Celebration

Cheyenne Frontier Days™ (CFD) is commonly referred to as the "Daddy of 'em All®"—the world's largest outdoor rodeo. The phrase was coined in 1919 when Cheyenne had gained worldwide recognition for having the biggest and best rodeo. Some folks credit T. Joe Cahill, who served as a committeeman that year, for the nickname. But, no matter who christened Cheyenne's rodeo with the name, one thing is certain; each year since, CFD has lived up to its reputation.

The "Daddy of 'em All®" continues as a leader in rodeo action. It remains the favorite rodeo for most PRCA contestants and rodeo fans alike. Rodeo cowboys are known to proudly display their winning belt buckles as status symbols. A recent study of rodeo points out that contestants who have competed at Cheyenne prefer to sport their CFD championship buckles even more so than a world champion buckle.

IMPORTANCE OF VOLUNTEERS

For more than 100 years the citizens of Cheyenne have banded together in this annual community project. CFD has a minimal staff with the rest of the work being done by over 2,500 volunteers. Because of this effort, and numerous other community-oriented volunteer projects, Cheyenne has been dubbed "the volunteer capital of the world."

LARGE OUTDOOR RODEO COMMITTEE OF THE YEAR

Cheyenne was voted "Large Outdoor Rodeo Committee of the Year" by the PRCA for 1993, 1994, 1995, 1996, 2000, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013 and 2014. The award was voted on by the top 100 contestants in each PRCA event, stock contractors, and PRCA contract personnel.

ECONOMIC IMPACT

CFD was organized over 124 years ago to economically benefit the City of Cheyenne, and we continue to stay focused on delivering our mission to be a positive economic resource in our community. CFD draws cowboys and rodeo and music fans from throughout the country for a spirited, ten-day celebration of Western heritage. CFD serves as an important boost to Cheyenne's economy, bringing hundreds of thousands of visitors who pump a significant amount of money into the local community. In 2019, total ticketed attendance for rodeos, concerts and other Frontier Park events was estimated over 262,466. Over 22,713 people attended the free pancake breakfasts, 50,998 visited the Indian Village, and 2,666 went on the behind-the-scenes chute tour.

As it did last year, CFD expects to serve about 100,000 flapjacks to nearly 25,000 during its free pancake breakfasts served downtown.

Visitors spent nearly $28 million in Laramie County during CFD, including $5.3 million at restaurants and bars, $3.7 million on accommodations, $7.6 million on entertainment and recreation, and $10.8 million on shopping, gas and other retail purchases. CFD also creates over 300 full and part-time jobs.

ABOUT **CHEYENNE**

About the Wyoming State Capitol

Cheyenne was founded on the banks of Crow Creek in July 1867. The town, named by Army General Grenville Dodge after the Indians who inhabited the area, took on many nicknames over the years. Cheyenne originally was referred to as "Hell on Wheels" because the first businesses to arrive at the new railhead were ones that traveled along with the Union Pacific as it broke ground westward across the Great Plains. These businesses were set up in tents with false storefronts. Most were drinking and gambling establishments catering to the rough and tumble life of transient cowboys, local ranch hands and soldiers at nearby Fort D.A. Russell.

Within 15 years Cheyenne became known as the "Magic City of the Plains" and gained status as the "richest city of its size in the world." Wealthy cattle barons from the East and abroad invested in the booming cattle industry and built huge, elaborate mansions in Cheyenne. Many of these historic landmarks are still standing today, including the historic Governor's Mansion which is open to the public year-round.

Today, Cheyenne's economic base is supported mostly by government, wholesale and retail trade, and tourism. Cheyenne still serves as a major crossroad in the West for the Union Pacific and the Burlington Northern Railroads, as well as Interstates 80 and 25. Most recently, Cheyenne has gained international and national recognition with the location of the NCAR-Wyoming Supercomputing Center and the Microsoft data center.

MEDIA **INFORMATION**

CREDENTIALS

Credential requests should be submitted as early as possible. Priority is given to professionals working on assignment for specific media outlets approved by the Cheyenne Frontier Days™ (CFD) PR Committee prior to the celebration. Media credentials for free-lancers not on assignment will be considered after submitting samples of published work.

FULL CREDENTIALS

Full credentials are valid for all ten days of CFD, and will be issued only to the following:

- Paid employees of media outlets or CFD
- Writers or photographers with a valid letter of assignment from a media outlet. We do request that all individuals in this category provide us with a copy of their work when it is published.
- PRCA photographers with a valid 2019 membership card

LIMITED CREDENTIALS

Limited Credentials valid only for Monday through Thursday are issued on a case-by-case basis to free-lance writers and photographers without a valid letter of assignment.

PHOTOGRAPHER PIT PASS

These passes are issued daily on a first-come, first-served basis to photographers. The photo pit is an excellent vantage point to capture action shots of arena events. Photographers requesting a pit pass should contact the PR Media Office prior to 10 a.m. Movement to and from the pit is prohibited during the rodeo with the exception of a short intermission period halfway through the show. During this time, photographers wishing to stay for only of half the events may leave, and others may take their place. This allows a greater number of photographers the opportunity to take photographs. Please note that bottled drinking water is available in the photo pit, however, there are no rest rooms.

Space in the pit is very limited and access will be prioritized as follows:

- Paid employees of media outlets (working press)
- Writers or photographers with a valid letter of assignment from a media outlet
- PRCA photographers with a valid 2019 membership card
- Freelance photographers

PHOTOGRAPHER CHUTE PASS

Photographers requesting a chute pass should contact the PR Media Office prior to 10 a.m. There are a limited number of chute passes available to general media. If you have a specific need that cannot be met with the photo pit's accommodations, contact the Media Office at the PR facility.

Chute passes allow the holder to photograph rodeo events from a restricted area alongside the roping and bucking chutes. For safety reasons, the chute area and arena are the most restricted areas and PRCA regulations apply.

PLEASE NOTE: The PRCA retains media rights to all sanctioned rodeos. These rights are specific to rodeo action and competitors. Complete rules governing broadcast and print are available at the PR Media Office or by contacting the PRCA directly.

NIGHT SHOW POLICY

All night show/concert press passes must be approved in advance. If you wish to cover a nightshow, please submit a request in writing to the Cheyenne Frontier Days™ Public Relations Committee by Friday, June 30. Any media who does not request a night show/concert media pass in advance will not be able to take photos, video or review the show. When the request is submitted please include information on what you intend to do (e.g. photography, video, or review of the show). The Public Relations (PR) Committee will have a listing for who is approved, the artists' restrictions and any added requirements (often only the first 2-3 songs) one or two days prior to the show. If you wish to conduct an interview with an artist, we can provide contact information for the artist's management and you can contact them directly. The PR Committee will not set up interviews for you.

DRESS REQUIREMENTS

PRCA clothing regulations state all media personnel and photographers must wear a long-sleeve western style shirt, long pants, boots and western hat while present in the photo pit, arena, chute area and in the cowboy ready area. The rodeo is highly photographed for both television and print media; the clothing requirement ensures the western flavor of the event and the safety of working media in and around the arena. If the requirement presents a problem, please contact the PR Media Office. We have extra hats and western shirts available to borrow.

Behind the Chutes

FUN FACTS

- Approximately 1,550 contestants will compete for a total purse of cash and prizes expected to reach $1 million, the largest purse award in regular season pro rodeo.
- The Rookie Saddle Bronc event was originally called the "Amateur Bucking Contest." The name was changed for the 1974 performance.
- Cheyenne Frontier Days™ (CFD) continued the tradition of signaling "8 seconds" with a gunshot until the 1994 rodeo performance, when it was replaced by a buzzer.
- Frontier Park became the home of CFD in time for the 1908 celebration. The cost for the structures totaled $20,000, and the total seating capacity for the rodeo was 7,700.
- This is the world's largest outdoor rodeo arena. The arena is over 700 feet long and 200 feet wide! The seating capacity for the rodeos is 15,000 and over 20,000 for the night shows.
- In 2013, a new all-time attendance record for CFD was achieved when 25,000 enjoyed Jason Aldean (2013 Academy of Country Music Male Vocalist of the Year) on a wet Friday night making Frontier Park the fifth-largest city in Wyoming.
- During a pancake breakfast, Cheyenne Kiwanis Club volunteers feed nearly 40,000 folks in six hours. The record day was Wednesday, July 24, 1996–16,897 guests served in two hours. The Record Year: 1996—39,112 guests served in six hours total.

MEDIA **INFORMATION**

MEDIA PLACES

MEDIA CENTER

Cheyenne Frontier Days™ (CFD) has a dedicated trailer for media, located behind the Public Relations Building. PR Volunteers are available to help you obtain pit and chute passes, as well as helping you with story ideas and interviews. The trailer has wireless internet and work areas for media.

MEDIA BOX

During the rodeo, media can watch from a shaded box located in the east stand. PR volunteers are available to answer questions and help obtain interviews with contestants. Be sure to secure your seat early as this area fills up quickly.

PHOTO PIT

The photo pit is an excellent vantage point to capture action shots of arena events. It is in the middle of the arena and allows photographers to capture contestants launching out of the chutes. It is also the best place to get photos of steer wrestling. You need a pass to get in this area.

CHUTES

The chutes are restricted areas that require a pass. The chutes on the north end of the arena tend to be less crowded than the southern chutes, which include sponsors. Photographers must first check with a CFD PR volunteer before going on the chute platform. You are only allowed to stay on the chute platform for a few rides.

COWBOY READY AREA

Underneath the east stand near the north chute, rodeo contestants are getting ready for their rides. PR volunteers are available to help you find an interview and escort you into the area for photos/b-roll.

PARKING

- **Directions to the Public Relations Facility:** Take Exit 12 off I-25. Turn right on Central Ave. to Kennedy Rd. CHALLENGE

RODEO

Cheyenne Frontier Days™ (CFD) has over 1,800 cowboys/cowgirls and over 2,000 animal athletes.
More cowboys/cowgirls and animal athletes compete in Cheyenne than at any other rodeo.
Our prize money again this year exceeds $1 million, making it one of the largest purses in professional rodeo.

PRCA RODEO

July 18-26, 2020. All rodeos begin at 12:45 p.m.
Cost $20 — $35

Cheyenne Frontier Days™ (CFD) received the Professional Rodeo Cowboys Association (PRCA) Large Outdoor Rodeo Of The Year award for the sixteenth time overall, and eleventh consecutive time at the National Finals Rodeo awards banquet held in Las Vegas. Cheyenne Frontier Days™ has previously received the PRCA Large Outdoor Rodeo Of The Year award in 1993, 1994, 1995, 1996, 2000, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013 and 2014.

Cheyenne's world-class rodeo is truly the Daddy of 'em All®. Known for its fast pace and large number of contestants, the CFD rodeo ensures visitors see more rodeo action – two sections of bulls, and two sections of saddle and bareback broncs daily – than they can see at any other rodeo. Every rodeo event is performed in each of the nine daily performances, so any day at Cheyenne Frontier Days is a good day to see an exciting, action-packed rodeo.

The rodeo consists of track acts in a fast-paced display of athletics, heroics and good-natured fun. Ultimately, the rodeo is about the people who make it great: the contestants, the announcers, the barrelman, and last but not least, the bullfighters.

TIMED EVENTS

The PRCA rodeo also spotlights barrel racing, tie-down roping, steer roping, steer wrestling, team roping and women's breakaway roping.

BULL RIDING

Perhaps the most dangerous event in rodeo, bull riders place their hand in a bull rope around the bull and attempt to ride for 8 seconds. These bulls are mostly a cross of Brahma (for speed, agility and quickness) and a beef breed such as Angus for size, power and muscle. Top notch breeding programs are in place with sire registries and artificial insemination being used by stock contractors. The horns on bulls (if not polled) are tipped for safety of the bulls while in the pens and during transport on the road, as well as for the cowboys.

How is the ride scored if the cowboy makes the 8 second whistle? Two Professional Rodeo Cowboys Association judges each score the bull on a scale of 1 to 25 and the cowboy on the same scale. Then the two judges' scores are tallied for the final score with a maximum of 100 points. (NOTE: Only 1 recorded 100 point ride in PRCA history: Wade Leslie, a bullrider who rode Wolfman Skoal in 1991). NOTE: only 2 sections of bull riding at each rodeo this year – start and end only.

BAREBACK RIDING

In this event, the cowboy uses a "riggin" that is essentially a leather strap with a hand hold on it around the belly of the horse. The cowboy wedges his hand in this hand hold. When the cowboy is ready, he nods his head and the chute gate opens. The horse exits with a quarter turn. The cowboy's feet have to be above the points of the horses shoulders on the first jump out of the chute or the cowboy "missed him out." The cowboy moves his feet in rhythm with the horse as his feet will be forward on the neck of the horse when the front feet hit the ground and then back at the withers when the back feet hit the ground. The judges look for this rhythm from the cowboy and the bucking ability of the horse for high scores.

CFD **RODEO**

SADDLE BRONC RIDING

For rodeo's classic event, the cowboy uses a modified saddle (does not have saddle horn) cinched around the horse. The cowboy hangs on to a hack rein (like a halter rope). Just like bareback riding, the cowboy nods his head when ready, the chute gate opens, and the cowboy's feet have to be above the points of the horse's shoulders on the first jump out of the chute. The cowboy moves his feet in rhythm with the horse as his feet will be forward on the shoulders of the horse when the front feet hit the ground and then back at the back of the saddle when the back feet hit the ground. The judges look for this rhythm from the cowboy and the bucking ability of the horse for high scores.

PROFESSIONAL BULL RIDING

LAST COWBOY STANDING

Monday, July 20 and Tuesday, July 21 7:45 p.m.

Cost $21-$300

For two nights, the Top-40 stars of the PBR (Professional Bull Riders) will attempt to conquer the sport's rankest bulls on the historic Wyoming Dirt at Cheyenne Frontier Days, strapping in for their shot to make the buzzer. If a rider covers his bull for the required 8 seconds, he continues to compete. If he gets bucked off, he is finished. The grueling match between Man and Beast continues until one prevails and is crowned Last Cowboy Standing!

CHEYENNE FRONTIER DAYS **EVENTS**

Cheyenne Frontier Days™ offers many events beyond the rodeo including a world famous night show lineup, free pancakes, a carnival and grand parades.

FRONTIER NIGHTS®

Night time entertainment naturally followed the rodeo performances in Cheyenne, but it became an official part of Cheyenne Frontier Days™ (CFD) on the eve of the Great Depression. In 1929, the committee built a small version of old-time Cheyenne on the grounds at Frontier Park complete with false-front saloons and theaters to depict the rowdy days of yesteryear. Soon, a carnival was added to the park's attractions. Downtown, square dancing on a designated street intersection along with dance performances by the Sioux Indians lured people out for the July evenings.

During the big band era of the 1940s and 50s, top-name bands provided music and dancing at Frontier Park. In the late 50s, a 10-cent fee was charged for each dance. The "dime-a-dance" feature was a Frontier Days favorite of Cheyennites who danced at the Pavilion, which now houses the CFD Headquarters and CFD Old West Museum. The first night arena show was staged in front of the grandstands in 1951. Television's Fred McMurray held the audience spellbound that first year along with Lawrence Welk and his orchestra just prior to landing their famous television show. The early night arena entertainment ranged from clown and dog acts to chariot races, fancy and trick riding, and drum and bugle corps performances. Other Hollywood stars that followed in the 1960s included Michael Landon as "Little Joe" of TV's Bonanza and Robert Conrad of The Wild Wild West. In the early '70s, the current "B" stands replaced the old stands, and in 1977 Frontier Days was extended to 10 days. Now, Cheyenne is equipped to book top country and western entertainment as well as rock acts.

CHALLENGE RODEO

11:30 a.m., Location: CFD Rodeo Arena

Wednesday, July 22 and Thursday, July 23

This special children's rodeo is patterned after the PRCA's Exceptional Rodeo©, which was featured at from 1992–1994.

In 1995, the CFD Committee and other volunteers and sponsors of the special rodeo decided they wanted to make it a permanent feature. And so, the CFD Challenge Rodeo became a reality for the 100th annual "Daddy of 'em All®".

Each of the 60 Challenge Rodeo children are paired up with a specially selected volunteer "buddy." These all-day volunteer chaperones are chosen according to their knowledge, medical training, and expertise in working with children who face mental and physical challenges. The children share one-on-one attention with their buddy and a rodeo V.I.P. while participating in modified rodeo events. V.I.P.s such as PRCA cowboys, clowns, barrel racers, Dandies, committee chairmen, and others, assist the children in the events which include 8-second bull rides, barrel racing, steer roping and more. Each Challenge Rodeo child receives a t-shirt, cowboy hat, trophy and a canvas bag to tote the goodies in. The kids are recognized individually with a certificate and a trophy. They receive a snapshot of themselves taken with one of the V.I.Ps.

The Challenge Rodeo is supported by donations from the Swire Coca-Cola Foundation. Other sponsors and volunteers include members of the CFD Buckle Club, CFD Concessions Committee, Warren Air Force Base, and Laramie County School District #1. After the Challenge Rodeo, the children are treated to lunch and a trip to the carnival by the volunteers.

American Indians have always been an important part American Indians have always been an important part of western history. In 1898, just after the second annual Frontier Days rodeo, the CFD committee invited American Indian performers to participate in the CFD celebration. American Indian performers have returned to CFD each year since, entertaining and educating visitors about American Indian heritage and culture. Historically, the visiting performers camped on a corner of Frontier Park, and that became a tourist mecca. Over the years, the site of the camp ground shifted from place to place. In the 1960s, the CFD committee established a permanent camp ground, dubbed the "Indian Village," on the southeast corner of the park, where it remains to this day. In addition to hosting authentic American Indian dancing, music playing and storytelling, the Indian Village also includes a number of Native American exhibit booths and food vendors.

PANCAKE BREAKFASTS

FREE • Monday, July 20; Wednesday, July 22; and Friday, July 24 • 7 – 9 a.m.

The Cheyenne Kiwanis Club puts on the pancake breakfast with the help of the CFD Indian Committee.

The all-time Cheyenne Frontier Days™ (CFD) free breakfast single-day record was registered during the Wednesday 1996 feeding frenzy where 16,897 people were served. The weekly record was broken that same year when 39,111 people enjoyed a free breakfast and Cheyenne western hospitality. Just for the record, the almost 40,000 were fed in a combined serving time of eight hours, ten minutes.

This year, the volunteers will serve up more than 100,000 flapjacks made from 5,000 pounds of pancake mix, cook-up 3,000 pounds of ham, serve 9,200 cartons of milk and 520 gallons of coffee, along with 630 pounds of butter and 475 gallons of syrup!

Started by the Cheyenne Frontier Committee in 1952, the traditional free breakfast (originally served twice a week) has since been a favorite of locals and visitors alike. The Cheyenne Kiwanis Club, with the help of the Cheyenne Boys and Girl Scouts, cook up the grub on military ranges. For the Kiwanis, the CFD breakfast is not only a great time, but a chance to practice as well. The ranges have proved to be useful in past years in feeding victims of natural disasters, and Frontier Days is the perfect opportunity to show Civil Defense just how many people they can feed in a short period of time.

PARADES

FREE • Saturday, July 18; Tuesday, July 21; Thursday, July 23; Saturday, July 25 • 9 a.m.

Until 1925 (with the exception of the spectacular parade staged in 1898 for Buffalo Bill and one in 1910 for President Theodore Roosevelt) the Frontier Days parades were nothing more than wild gallops through the streets of Cheyenne by a bunch of unruly cowboys on wild broncos. Pistols were aimed at upper story windows, pretty girls were lassoed, and pandemonium reigned. That year, the Frontier Committee enlisted Fred and Margaret Boice to stage a pageant using the theme of "The Evolution of Transportation." In 1926, Dazee Bristol was asked to create some floats for the parade that would last. The ones she created are still highlights of current parades. They include Dazee's Dance Hall, Harry P. Hynds Blacksmith Shop, the Placer Mine (depicting South Pass City, Wyoming) and the Silver Crown Mine (which pokes fun at some early residents who invested in a mining scam). In the 1930s and 40s, Dazee added the Vigilante Float, the Hells Half Acre Saloon Float and the One-Room School House. Join us in Cheyenne as people from all over the world take in the sights and sounds of some of the top marching bands and horse-drawn vehicles in the country! The parade starts in front of the Wyoming Capitol.

The sharply choreographed, drill-style ground ceremony kicks off the demonstration by showcasing the attention to detail and esprit de corps that defines our enlisted members. As the jets take to the skies and fly only a few feet from wingtip to wingtip, the crowd gets a glimpse of the awesome skills and capabilities that all fighter pilots must possess. The solo pilots integrate their own loud and proud routine, exhibiting some of the maximum capabilities of the F-16 Fighting Falcon – the Air Force's premier multi-role fighter jet.

OTHER CFD **EVENTS**

Not all the fun during Cheyenne Frontier Days™ is sanctioned by the Committee. Through the years other groups of individuals, businesses, and associations in Cheyenne have joined in to enhance the annual celebration and become a part of it all. Following the example set by CFD volunteers a long time ago, these individuals spend a great amount of time and energy preparing for their contribution to the show each year.

In the 1960s, a few downtown businessmen were known to assume the status of a vigilante committee aimed at men in golf shorts and boat shoes. The makeshift lawmakers took matters into their own hands by tossing the nonconformists in the lake at Holliday Park—only to give themselves an excuse to donate articles of western attire to poor wet souls who dared not to dress accordingly during Cheyenne Frontier Days (CFD).

CHEYENNE GUNSLINGERS

During CFD, performances are:
Monday - Saturday at high noon
and 6 p.m. and Sundays at high noon

In 1983 a local downtown art gallery owner, Ron Levene, sat drinking coffee with a few other 16th Street business owners discussing the western-ness of Cheyenne. It seems they all shared the same blank expressions when summer visitors and tourists came into their shops and asked, "So, where's all the cowboys and Indians?" Cheyenne Frontier Days™ (CFD) certainly provided the old western frontier atmosphere, but only for 10 days in July. These fellas decided to give 'em what they asked for. Armed with a sizeable donation from the head office of the LaQuinta Inn hotel chain in San Antonio, Texas, these businessmen started the Cheyenne Gunslingers.

They got off to a slow start that first season. The volunteers didn't anticipate the costs involved with staging the gunfights. But, within a few years the association had grown into a first-rate tourist attraction

OTHER CFD **EVENTS**

not only during CFD, but for the whole summer. The men furnish their own guns and costumes, and together, they write the scripts that are staged twice daily at Gunslinger Square, 16th Street and Carey Avenue. In addition to the fun-filled skits, the Cheyenne Gunslingers also have a more serious side. They show the audience the importance of gun safety, and much of the information is aimed effectively at the youth in the crowd. The "shoot 'em up" show is free to the public.

OLD FASHIONED MELODRAMA

Atlas Theatre 211 West 16th Street
Monday-Saturday performances are at 7 and 9 p.m.; Sunday performance is 7 p.m.

The Cheyenne Little Theatre Players added to the night time entertainment of Cheyenne Frontier Days™ (CFD) in 1958 by staging an Old Fashioned Melodrama performance at the Frontier Park Pavilion. The show was a hit, and the performers have carried on their volunteer tradition ever since.

In 1966, they were moved to the abandoned and dilapidated Atlas Theatre downtown. The Atlas Theatre building was erected in 1887. Originally, it housed a confectionery shop on the main level with office spaces on the upper floors. The building was remodeled in 1907 with the assistance of local architect William Dubois. The upper floors were converted into rooms for rent with the main level reserved for the elegant Atlas Theatre, a soda fountain, and a large penny arcade—Wyoming's first. Today, the Atlas Theatre seats 260 guests per performance. Much of the interior has been restored to its original state. The original fire curtain installed in 1908 still hangs from the ceiling above the stage.

The Cheyenne Little Theatre Players have entertained thousands of visitors during CFD with sellout shows that bring about rounds of "boos" and "hisses" for the villain, "cheers" for the hero, and "ah-h's" for the heroine. The melodrama is a three-act play that focuses on some part of Wyoming's western heritage. It is often written by local talent and includes a variety of crowd-pleasing olio acts, can-can dances, and fun for the whole family.

FORT D.A. RUSSELL DAYS - MUSKETS TO MISSILES

Fort D.A. Russell Days is a celebration of the U.S. military throughout the history of what is now, Francis E. Warren AFB. The base is the oldest active Air Force base and has been an active duty military installation since its inception in 1867. The installation's ties to CFD dates back to the very first installment of the famous rodeo in 1897, when soldiers from the post fired a canon signifying the start of the event and staged a mock battle in the arena. Today, the base holds its annual open house during the rodeo so that the public can learn about its current and past missions. Visitors to Ft. D.A. Russell Days will be able to tour the historic brick homes, several dating back to the 19th century, tour the base museum and watch historic military reenactments. The base also demonstrates modern technology associated with its current intercontinental ballistic missile mission. Visitors can observe military working dogs in action, tour a real-life training launch facility, and marvel at the wide variety of missile support vehicles, such as the gigantic missile transporter erector. F.E. Warren Air Force Base is located at exit 11 on I-25 in Cheyenne.

VOLUNTEERS & **STRUCTURE**

For more than a century, chief executive officers of large companies, bank presidents, school teachers, realtors, homemakers, state and federal employees-literally folks from every walk of life-have devoted millions of volunteer hours to plan, organize and execute all the events associated with Cheyenne Frontier Days™.

VOLUNTEERS

"IT'S THE CHEYENNE THING TO DO..." That's how Bill Dubois, a 2004 inductee in the Cheyenne Frontier Days™ (CFD) Hall of Fame, replied when asked why he had been volunteering for more than four decades in a variety of capacities at the "Daddy of 'em All." "It's the Cheyenne thing to do" for tens of hundreds of volunteers who provide the people power to produce what arguably is the largest outdoor western celebration in the world.

It began as a simple one-day celebration in September of 1897 when a group of volunteers from the Cheyenne business community thought it would be fun and profitable to stage a western celebration. Today, more than 3,000 volunteers work around the calendar to produce an event that borders on two weeks long and includes parades, pancake breakfasts, world-class concerts, chili and chuckwagon cookoffs, carnival, exhibits, Indian Village, military open houses and performances by the U.S. Air Force Thunderbirds and, of course the event that started it all-nine Professional Rodeo Cowboys Association (PRCA) rodeos.

Volunteers are the fuel that drives the CFD engine. Tasks range from sorting stock for the nine rodeos plus the slack performances; caring for the world's largest horse-drawn carriage collection and a remarkable period clothing collection; mucking horse stalls; directing traffic in all types of weather; manning gates; the care and feeding of a large media contingent; serving as hosts to the tens of thousands of spectators who enjoy the variety of events; the care and maintenance of a 100-acre park with barns, grandstands, exhibit halls, food facilities and arenas and thousands of other grizzly little details that must be accomplished for the event to succeed.

STRUCTURE

Only a handful of the estimated 3,000 workers who make Cheyenne Frontier Days™ (CFD) come to life each July are paid for their services. The Committee employs 17 full-time people to manage the year-round production of the show, and a Board of Directors serves as an advisory council to the General Committee.

MISS FRONTIER

BAILEY BISHOP

Bailey Ryan Bishop is the 20-year-old daughter of Todd and Jan Bishop. Bailey grew up on her family's small ranch in Burns, Wyo. She has been riding since she was three years old. Her family of five has deep roots in Wyoming, Cheyenne Frontier Days, and the Western way of life. Bailey has two brothers; older brother, Ryder, and younger brother, Tate.

Bailey is a 2016 graduate of Burns High School. She was involved in almost every club and activity Burns High School had to offer, but her favorites were FFA, FBLA, Student Council, and National Honor Society. She was president of her FFA chapter and her parliamentary procedure team won state in 2013, and they went nationals to compete in Louisville, KY.

Bailey spent two years at Laramie County Community College (LCCC) in Cheyenne. Currently, she is enrolled at the University of Wyoming (UW) going into her junior year, majoring in Physiology. Baileys career goal is to become a Physician's Assistant.

Cheyenne Frontier Days is in Baileys blood. Her grandpa, Cliff "Doc" Bishop, was a steer roping contestant at the "Daddy of 'em All"; later he became the arena veterinarian, and was inducted into the HEELS organization. Her grandma, Gerrie Bishop, is a co-founder of the Cowgirls of the West. Her papa, Morris Bullard, was a lead volunteer on the security committee, her cousin, Stacy Bishop, was Miss Frontier in 1995, and her dad serves on the Cheyenne Frontier Days board of directors.

"It is an honor to represent Cheyenne Frontier Days and the almost 3,000 volunteers who produce our show. To me, Cheyenne Frontier Days™ isn't just a town celebration – it is a heritage built on over more than a hundred years of tradition. I have always admired how our community can take a few thousand caring people, unite them with a common goal, and stand back and enjoy the result of tens of thousands of hours that are a labor of love."

Bailey has been involved with Cheyenne Frontier Days most of her life. She participated in the Grand Parades as a young girl, competed in junior barrels, and was a Dandy throughout high school.

LADY-IN-WAITING

SAVANNAH MESSENGER

Savannah Sherri Messenger is the daughter of Kirk and Raedene Messenger and the late Mark Messenger. She is a seventh generation Wyomingite and a Cheyenne Central High School 2016 graduate. She has attended Laramie County Community College for three years and is a Dental Assistant.

During high school, she was a four year letter recipient on the Cheyenne Central women's soccer team. From the time that she was 9, she participated in draft horse driving competitions throughout the United States and Canada, winning top awards. She was a Cheyenne Frontier Days Dandy during the years of 2014, 2015 and 2016, at which time her love of Cheyenne Frontier Days and riding for the brand become most evident. More recently, Savannah has volunteered on the Public Relations Committee assisting with out of state Rodeo Queens and with the Parades Committee as an out-rider for the horse drawn vehicles and wagons.

Savannah's roots are deep in western heritage. Her Maternal side of the family has owned and operated the CP Ranch since 1904. Her paternal great, great Grandfather was the blacksmith for the Cheyenne area dating back to 1916. Her family has a passion for horse drawn vehicles and turn of the century memorabilia which they have housed at the family's "Messenger's Old West Museum". Her family has been driving horses in the Cheyenne Frontier Days parades and Grand Entries since the 70's, and has promoted Cheyenne Frontier Days with their World Champion Percheron draft horse hitch throughout the United States and Canada.

"It's simply where I come from. At a young age I developed a love for horses and western heritage. I became very driven to promote Cheyenne Frontier Days during the years that I was a Cheyenne Frontier Days Dandy. I never get tired of riding and waving in that big arena! It's important to know where we come from and to keep traditions alive. I'm ecstatic to have this worldwide opportunity to promote and represent the Western Heritage of "The Daddy of 'em All."

BUCKLE CLUB

The Buckle Club is comprised of past and present committee chairpersons and their spouses. This group was organized in 1979 and utilizes the talent and experience of seasoned volunteers to assist with various functions of Cheyenne Frontier Days™ (CFD). Members have been instrumental in producing the Exceptional Rodeo in past years and continue with the Challenge Rodeo, which is Cheyenne's independent version of the special children's rodeo.

HEELS

The idea of the "HEELS" emerged in 1934 as a result of financial difficulties brought on by the Great Depression. Because the pocket linings of Cheyenne Frontier Days™ (CFD) were pulled inside out and drooping, a group of volunteers put their heads together and brainstormed over how to remedy the show's tough financial situation. They tossed around the idea of replacing paid arena help with volunteers of the committee, and the HEELS organization was born. It is said that volunteer Ed Storey commented during that casual meeting that they'd be a bunch of heels if they didn't help out, and the name stuck.

Today, the HEELS are comprised of 430 volunteers who have been recognized for their exceptional service to CFD. Each year new members are nominated and voted into the select group based on their contribution of volunteerism to the show. Each HEEL is entitled to wear a specially designed badge and belt buckle to distinguish the honor.

W-HEELS

The W-Heels is a group of volunteer women who work with the Parades Committee in producing the horse-drawn vehicle section of the four Cheyenne Frontier Days™ (CFD) parades each year. These gals provide the carriage riders with over 600 authentic costumes that reflect the styles worn between 1897 and 1914. The group supports the CFD Old West Museum and is active in carriage preservation and restoration.

SCHOLARSHIPS

The Cheyenne Frontier Days™ (CFD) Scholarship Foundation awarded $60,700 in 70 scholarships for the 2018-2019 school year.

THE **FOUNDATION**

The Cheyenne Frontier Days™ Foundation, Inc., was established in 2015 to support the charitable and educational aspects of Cheyenne Frontier Days™. The Foundation is recognized as a 501(c)(3) charity by the Internal Revenue Service. As such, donations to the Foundation are eligible for a charitable deduction up to the limits of the law. In addition to supporting current Cheyenne Frontier Days™ activities, the long-term goal of the Foundation is to build up assets in order to provide for the financial stability of Cheyenne Frontier Days. The Foundation has a Board of Directors currently consisting of eleven voting members. In addition, the General Chairman of Cheyenne Frontier Days™ is an ex-officio member of the Board. Board members are appointed for three-year terms, and each person can serve a maximum of two consecutive terms.

In 2018 the Foundation received a generous donation of 27 acres of land which will be developed as a Park-n-Ride lot during the annual CFD celebration. The Foundation also received a large cash donation from a long-time CFD volunteer, fan and booster. In addition, another long-time volunteer donated a mobility scooter to the Foundation, which was in turn donated to Cheyenne Frontier Days™ to be used by the Tickets Committee to help seat people with disabilities.

The Foundation is able to receive cash donations as well as donations of real estate and other types of property. All gifts, whether large or small, are important in helping the Foundation reach its long-term goal. For those who are interested, the Foundation can assist you and your advisors with structuring a donation for your maximum tax and financial advantage. For more information, please contact foundation@cfdrodeo.com.

INVESTING IN THE **FUTURE**

Cheyenne Frontier Days™ announced plans to build a new multi-purpose building on Frontier Park in 2018. The ground breaking took place in early August 2018. This building will house space for the General Committee, Headquarters Staff, increase meeting space for Volunteers and contain a rentable Conference Center.

In 2015, CFD conducted a Master Land Use Plan study that mapped future construction plans and space allocation on Frontier Park to maximize park layout and available space. This jump-started thinking for the vision of the future for Frontier Park.

In 2017, CFD completed the Trail Guide to the Future. This document identified volunteer satisfaction, continuation of community partnerships, relationships with sponsors, maximizing development of Frontier Park, upgrading park infrastructure and creation of state-of-the art facilities as key priorities.

The Cheyenne Frontier Days™ organization has outgrown existing volunteer meeting space, staff space, sponsor areas and hospitality space. Breaking ground on the multi-purpose building represents progress for volunteers, staff, sponsors and embraces the future-focused themes in the Cheyenne Frontier Days Master Land Use Plan and Trail Guide to the Future.

A year-round, rentable conference facility provides space to increase opportunities for sponsor and community hospitality that will yield a revenue stream to offset future projects. This supports the Cheyenne Frontier Days mission to promote economic vitality to our city and this facility allows us to host events on park that we have not been able to accommodate in the past.

OUR **SPONSORS**

Cheyenne Frontier Days™ would not be possible without our sponsors. We'd like to say thank you to each and every one of them, for all the great rodeo action and exciting night show entertainment their support makes possible!

CHEYENNE REGIONAL MEDICAL CENTER

Healthcare is ever-changing. To stay the course, a hospital must rely on its leadership, physicians and employees to focus, unwaveringly, on the mission at hand. At the Cheyenne Regional health system, which includes Cheyenne Regional Medical Center and Cheyenne Regional Medical Group, that mission is to "inspire great health!"

A key part of this mission is to provide outstanding patient outcomes. One of the surest ways to do that is to provide high-quality medical care. Our health system is routinely recognized by health ratings organizations for providing best-in-practice, award-winning care. This includes Cheyenne Regional Medical Center being named in 2019 as one of America's 250 Best Hospitals by Healthgrades, a leading online resource for comprehensive information about physicians and hospitals. This distinction places Cheyenne Regional Medical Center is the top 5 percent of more than 4,500 hospitals assessed nationwide for its superior clinical performance. Cheyenne Regional is the only hospital in Wyoming to receive this distinction.

Cheyenne Regional was also recently recognized by Healthgrades for being among the top 5 percent of hospitals in the nation for overall pulmonary services in 2019 and for being among the top 10 percent of hospitals in the nation for cardiology services, stroke treatment, gastrointestinal services and general surgery in 2019.

RED LION HOTEL

Hospitality by definition is the *friendly and generous reception and entertainment of guests, visitors, or strangers.* At Red Lion Hotel & Conference Center you will find just that. Built in 1982 we have filled our halls over the years with caring staff, trending food and beverage concepts, friendly smiles, satisfied guests and the comfort of home. The property was purchased in December of 2015 by Inner Circle Management who converted the hotel from a Holiday Inn to a Radisson in February of 2016 and then took on the Red Lion flag in February of 2018. Why the flag changes? The Red Lion flag and what it represents fit the needs of our community, offering a great room and great events at a great rate. The Red Lion flag has the benefit of being a well-known western based brand that is constantly growing with technology and the younger generations yet still possesses the friendly hometown values of hospitality that are the cornerstone of a hotel's success. These values allow our flag to proudly be a part of the history and heritage of Cheyenne Frontier Days™.

As a part of the Cheyenne community our flag is actively involved with multiple community organizations as both sponsors and volunteers.

We are proud of the tradition of partnership we have held with Cheyenne Frontier Days and the volunteers that make this great event happen. We look forward to sharing with you all the hospitality Cheyenne has to offer!

UNION WIRELESS

Born in the Wild West over one hundred years ago, Union Wireless continues a legacy of putting the customer first. Founded in Mountain View Wyoming in 1914, and built on the belief of serving its rural ranching community when no one even knew where Mountain View was; John Woody laid the ground work for what the company is today.

Union Wireless provides every service that the "big providers" do, with a notable exception–we offer outstanding customer service in every aspect. We pride ourselves on a highly trained care staff that can make product and plan recommendations that meet your needs; answer tech questions, and provide hands-on device and accessory training to ensure the best experience.

This same commitment to customer satisfaction is embodied in every department; our tower team that climbs towers in 40 M.P.H. wind to reconnect a microwave dish so that calls can go through; to network engineers that answer the call to work at 3 a.m., when suppliers notify us of a customer impacting concern. This same commitment is also clear in the continued investment in infrastructure development to meet the ever evolving needs of our customers.

Beyond customer service, Union Wireless is committed to making a difference. We actively contribute, sponsor and participate in events and causes that make a positive impact in the communities we serve.

Proud sponsors of Cheyenne Frontier Days™, we invite you to share in our enthusiasm of experiencing the world's largest outdoor rodeo and the heritage that helped shape the West.

WYOLOTTO

In 2013, a bill cleared the state legislature allowing Wyoming to create its first state lottery. Governor Mead approved it and appointed its board. Funded by a private loan, which WyoLotto paid off in 2016, we have turned a net positive position in only 5 years. WyoLotto first launched with Powerball and Mega Millions in 2014. Since then, Powerball has had more than 800,000 winners who have won over $10 million in prizes, and Mega Millions has had more than 900,000 winners who have won over $26 million in prizes—all in Wyoming.

As players asked for more games, we launched Cowboy Draw in 2015, and Lucky for Life in 2016. Cowboy Draw has had more than 1.7 million winners who have won more than $31 million in prizes, and Lucky for Life has awarded more than 450,000 winners with over $3.5 million in prizes. This year, we launched Ragtime Raffle and look forward to bringing more games in the future.

We've made more than $14 million in transfers to Wyoming's cities, towns, and counties that decide how the money can best benefit them. Our winners are mostly Wyomingites who spend their winnings locally, keeping dollars in the state. We also sponsor community events across Wyoming, including local fairs, rodeos, and music festivals.

In 2017, WyoLotto worked with the Wyo. Department of Health to develop the Wyo. Responsible Gambling Coalition—allocating up to $200,000 per year to responsible gambling efforts.

We're proud to be part of what makes Wyoming great.

BARRELMAN & BULLFIGHTERS

Bullfighters may appear to do a lot of "clowning around," but their role is of utmost importance to the contestants. Their job is to help prevent the contestants from sustaining injuries by the bulls. In many cases, these bullfighters have been responsible for saving a contestant's life. For this reason, they must be in peak physical condition and mentally alert for their "dances with bulls." Most bullfighters and clowns wear good athletic shoes or cleats as part of their costume. The costumes are generally quite colorful and loose fitting to divert the bull's attention from the contestant after the ride. Occasionally, a contestant's hand may become "hung up" in the rope when he is bucked off. When this happens, the bullfighters are right there risking their own safety to free the cowboy's hand from atop the bucking bull's back. One bullfighter distracts the bull while another tries to free the cowboy's hand. At Cheyenne, two bullfighters work together in the arena to assist the contestants during the bull riding events.

It was everything I thought it would feel like, but walking down that alley … you've got to times it by 100 to get close to what it really feels like. It's very heart-touching." MISS FRONTIER

1931 – 2020

The first Miss Frontier was selected in 1931 when the Cheyenne Frontier Days committee sponsored a contest. All six of the girls who entered were sponsored by a civic organization. Each girl was judged based on the number of tickets sold be her sponsoring organization. Miss Jean Nimmo Dubois had the honor of becoming the first Miss Frontier when the Cheyenne Post of the American legion sold the most tickets to the show. Edith Gogerty Stevens won the honor in 1932 by a popularity vote determined by the number of tickets sold at the Frontier Pavilion. In 1933, another contest sponsored by the Tribune-Eagle selected Maysie McKay Christensen as the third Miss Frontier. The year 1934 saw the CFD committee selected Lois Crain Moor as Miss Frontier and Leona Burner Gillen as her Lady-in-Waiting, starting a tradition that follows to this day.During the reign of Mary Helen Warren Welborn in 1936, Miss Frontier acquired he traditional garb of the "White Bucks." Mary Helen had seen Sally Rand, the fan dancer who appeared at CFD wearing an outfit of leather, consisting of a divided skirt and vest trimmed in fringe and silver conches. Mary Helen thought the outfit was most appealing and so the familiar official clothing of Miss Frontier came into being work with a satin blouse. The role of Miss Frontier has evolved through the years. Today, as well as appearing at all of the events of the show, she is a visible representative of CFD appearing at other rodeos, press conferences and special events to promote and annual event born of an idea to create a celebration for Cheyenne.
